Then try your first Topi-CLICK Micro along with a no-cost Rx by completing and emailing a scan of the form on the reverse side to [info@svpmeds.com](mailto:info@svpmeds.com) or faxing it to **877.673.3706**.

Transdermal gel makes it easier to medicate hard-to-pill pets. But getting the precise dose of gel has long been a challenge for pet owners. Until now.

Topi-CLICK Micro enables pet owners to accurately deliver micro doses of transdermal gel by relying on an audible stop point. Its 9-milliliter maximum delivery volume is ideal for holding a small amount of medication.
